

PROFIT & LOSS: Mini Market Day

Grade 3 Financial Literacy — Lesson Guide

Subject	Financial Literacy
Grade	Grade 3
Topic	Profit & Loss — Mini Market Day
Duration	Approx. 60 minutes
Currency	Indian Rupee (₹)

1. What is Money? ■

- Money helps us buy things we **need** and **want**.
- We use money to buy food, toys, and clothes — and to save for the future.
- India's currency is the **Rupee (₹)**.

2. Key Words to Know

Cost Price	Selling Price
How much you pay to buy or make something	How much you sell it for
Profit	Loss
Extra money you earn	Money you lose

3. What is Profit & Loss?

■ PROFIT	■ LOSS
You earn MORE than you spend.	You spend MORE than you earn.
<i>Buy for ₹10, sell for ₹15 = ₹5 Profit!</i>	<i>Buy for ₹10, sell for ₹8 = ₹2 Loss!</i>

4. How to Calculate Profit & Loss

■ PROFIT = Selling Price – Cost Price	■ LOSS = Cost Price – Selling Price
(when SP > CP)	(when CP > SP)

■ *Example: Buy for ■10, Sell for ■15*

$$\text{Profit} = \text{■}15 - \text{■}10 = \text{■}5$$

5. Buying & Selling — How It Works

Step 1	Step 2	Step 3
You BUY things at Cost Price	You SELL items at Selling Price	The difference = Profit or Loss!

6. Sample Price List

Item	Cost Price	Selling Price	Profit
■ Lemonade	■10	■15	■5 Profit
■ Cupcake	■8	■12	■4 Profit
⇒ ■ Pencil	■5	■8	■3 Profit
■ Notebook	■15	■20	■5 Profit

★ Remember: **Selling Price must be higher than Cost Price** to make a Profit!

7. Planning Your Stall

■	Choose what to sell
■ ■	Decide the cost price
■	Set a selling price (higher than cost price!)
■	Think about how many items to sell

8. Mini Market Day — Activity Instructions

1.	Set up your stall with items and price tags
2.	Sell items to classmates at your selling price
3.	Keep track of all money earned and spent
4.	Count your total earnings at the end
5.	Calculate your profit or loss
6.	Share your results with the class!

9. Tips for Success

■	Set fair prices — not too high or too low
■ ■	Talk nicely to your customers
■	Keep track of your money carefully
■	Have fun and learn!

10. What Did We Learn?

■ Profit means earning extra money	■ Loss means spending more than you earn
■ Planning prices is very important	■ Mini market helps us practise money skills

11. Reflection Time ■

- What did you like about selling?
- What was hard?
- How did you decide your prices?

“Learning about money helps us make smart choices!”

12. Fun Facts About Money! ■

- ★ India's currency is called the **Rupee (₹)**. The word comes from 'rupya' meaning *silver coin*.
- ★ Some of the **oldest coins in the world** were found in India — over **2,500 years ago!**
- ★ The **Reserve Bank of India (RBI)** prints all our money.
- ★ Indian banknotes have **17 languages** printed on them!
- ★ Ancient coins were first made of **gold, silver, and copper**.
