

SHOPKEEPER GAME

Interactive Learning

Have You Been
to a Shop?

Look at all the yummy things! Can you spot Parle-G biscuits, Dairy Milk chocolate, and Kurkure chips? What do you like to buy from a shop?

Meet the Characters

Small – The Shopkeeper

A friendly 6-year-old boy wearing his school uniform with a special paper badge that says "Shopkeeper." He loves helping customers find what they need!

Meena – The Customer

A cheerful 6-year-old girl in a pretty salwar-kameez carrying a small purse with coins. She's ready to buy yummy treats from the shop!

A shop is a place where goods are sold for money!

Examples:

- Kirana store (like Ramesh General Store)
- School canteen
- Sabziwala (vegetable seller)

What is a Shop?

Shopkeeper & Customer

Shopkeeper Sells!

The shopkeeper has many things in the shop. When you want something, the shopkeeper gives it to you and you pay money for it!

Customer Buys!

Grandmother goes to the vegetable seller to buy tomatoes. The seller says, "Ten rupees!" Grandmother pays the money and takes the tomatoes home. Now she is happy!

Indian Currency – ₹1 Coin

₹1 is one rupee!

This is our smallest coin. It is small and silver colored.
You can buy small things like a toffee with it!

Indian Currency – ₹2 Coin

₹2 is two rupees!

This coin is medium-sized and silver colored. It's a little bigger than the ₹1 coin!

Look for the number 2 on the coin.

Indian Currency – ₹5 Coin

₹5 is five rupees!

This is a big silver coin with grooves on the edge. Feel the bumpy edges – that's how you know it's a ₹5 coin! You can buy yummy snacks with this coin!

Indian Currency – ₹10 Coin

₹10 is ten rupees!

This special coin has TWO colors – a golden center with a silver ring around it! It's the biggest value coin we've learned today. Can you spot the ₹10 coin in your piggy bank?

Price Tags

Look at the prices! Parle-G biscuit costs ₹5,
Eclairs toffee costs ₹2, and a small eraser costs ₹3.
Which one is the most expensive? Can you tell?

Let's Play!

Set up your shop with items and price tags!

Phrases to use:

- How much?
- Here's the money!
- Thank you!

Pick items, count coins, and pay the shopkeeper !

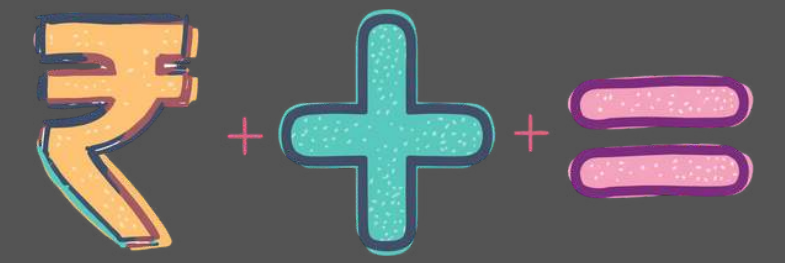

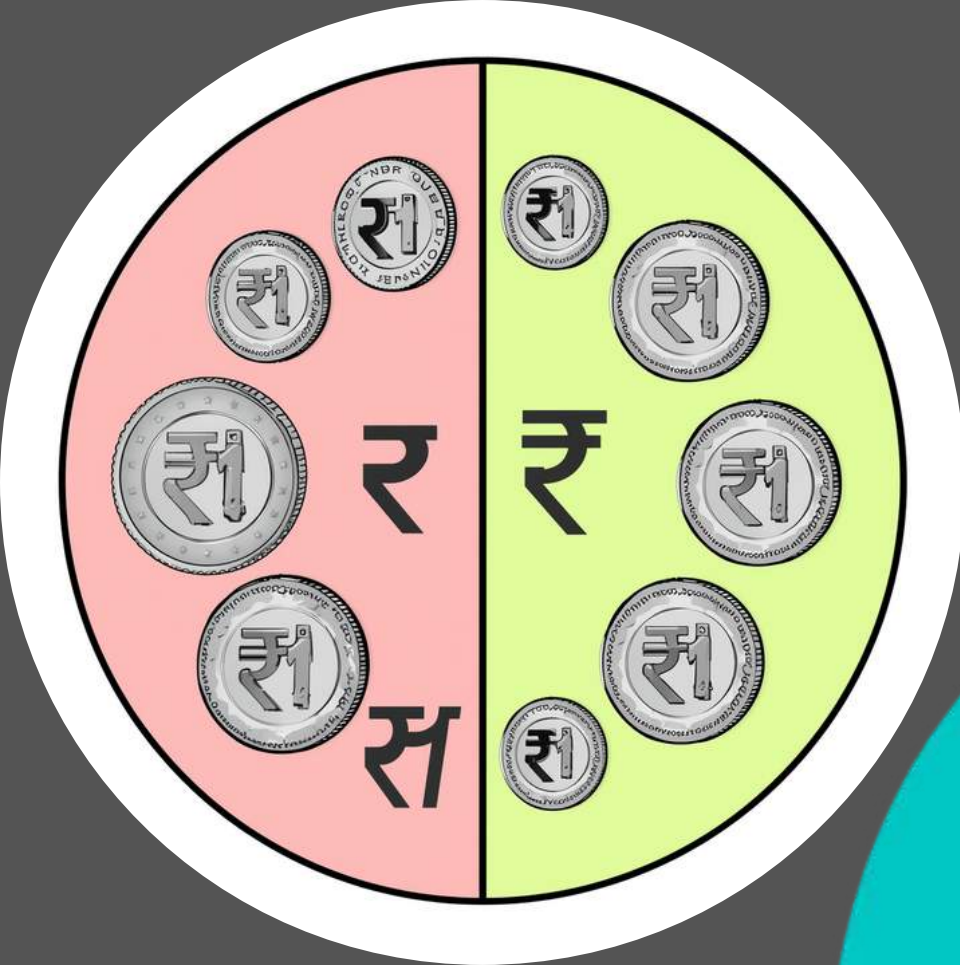

Open Your Shop!

One child is the shopkeeper, one is the customer. Use 3 item cards with price tags and coin cutouts to play!

Buy 1-2 items, count your coins carefully, and pay the shopkeeper.

Then switch roles and play again!

Let's Count Together!

₹3 toffee + ₹4 biscuit = ₹7

Let's count the coins together!

One... two... three... four... five... six... seven!

Count aloud with your teacher and use your fingers!

Quick Quiz Time!
