

Planrs Academy

Planrs Academy Graduation Showcase – Demo Day

Celebrating Stories, Skills & Success!

Welcome & Session Overview

Setting the Stage for Our 30-Minute Celebration!

Agenda: Welcome → Demo Showcase → Mentor Corner → Graduation Ceremony → Wrap-up.
Today we celebrate stories, skills, and the amazing journey of every student!

Master Storytelling

Problem → Idea → Solution
→ Impact framework for
every presentation

Speak Confidently

Practice voice modulation,
eye contact & expressive
public speaking

Glow & Grow

Give & receive kind, helpful
peer feedback and
celebrate learning!

 **Problem**

What challenge did you
find in your school or
community?

 **Idea**

What is your creative
thought to fix that
challenge?

 **Solution**

How did you bring your idea
to life and make it real?

Problem

Idea

Solution

Impact

Storytelling Framework

Problem → Idea → Solution → Impact

Use this four-step framework to build your project story and
present it with confidence on Demo Day!

Speak Clearly 🗣️

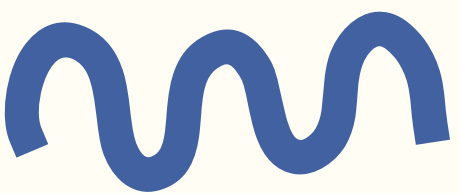

Speak slowly and clearly so everyone can follow along

Eye Contact 👁️

Look at your audience and smile with confidence

Stand Tall ✨

Use hand gestures and a strong, proud posture

Public Speaking & Voice Tips

Speak with Confidence, Energy & Heart!

Great speakers speak clearly, make eye contact, stand tall, and use hand gestures. Use your voice with energy and pauses to keep your audience engaged!

Glow

Share something
you liked or
admired about
their work!

Grow

Suggest one kind
way they could
improve or do
even better!

Why Feedback Helps Us Grow Together

When we share kind and honest
feedback, we help each other learn,
improve, and feel proud of our journey
together!

Glow & Grow

Peer Feedback Made Simple

Remember: Glow first — celebrate what was great! Then Grow
— offer one helpful suggestion with kindness and care.

Indian Inspirations

Role Models Who Dream Big for India!

From space explorers to everyday innovators — these inspiring Indians show us that big ideas can change the world. Let their stories fuel your own!

APJ Abdul Kalam & Kalpana Chawla

Dream big, innovate for India & reach for the stars — sky is not the limit!

ISRO & Swachh Bharat

Space teamwork, clean energy & caring for our country — real-world impact!

UPI & Metro Systems

Smart, everyday solutions that make life better for millions of Indians!

Step 01

Facilitator cues: Start,
Halfway & 30
seconds left

Step 02

Each student
presents their project
story in 3 minutes

Presenter Checklist

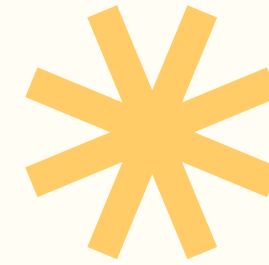

Present using the Problem–Idea–
Solution–Impact framework. Use the 3–
minute timer for pitch + Q&A. Speak
clearly, stand tall, and engage your
audience!

Student Demo Showcase

How It Works — Live Demo Flow

Step 03

Peer Q&A and Glow & Grow feedback round

Mentor Corner & Live Feedback

Listen & Ask

Listen actively and ask
open, encouraging
questions to every
presenter

Glow & Grow

Encourage peer
feedback using the
Glow & Grow
appreciation method

Guide for facilitators during Q&A

Keep Time

Keep Q&A on track with a 2-
minute limit per student
presenter

Graduation Ceremony Flow

Celebrating Every Student's Journey!

Step 01

Announce each student's completion with a big round of applause!

Step 02

Highlight special achievements, stories & proud moments!

Step 03

Group photo time! Gather everyone for a memorable snapshot. Share thank you messages and celebrate the incredible learning journey together. You did it — be proud!

Wrap-Up & Next Steps

You Did It — Now Keep Going!

Celebrate your hard work, your creativity, and your courage today. Every story you shared made this day truly special. Keep learning, keep growing, and keep shining!

Share Your Stories

Tell your family and friends about your project and what you learned today!

Keep Practising

Keep storytelling and public speaking — every day is a chance to grow!

Stay Curious!

Ask questions, explore new ideas, and never stop learning every day!

Tip 01

Gently invite shy speakers — "We believe in you!"

Tip 02

Use a kind signal to wrap up time overruns smoothly

Quick Fixes for Facilitators

Manage shy speakers with gentle encouragement. Handle time overruns kindly with a smile. Boost positive peer support always. Fix tech glitches quickly and calmly!

Q&A & Troubleshooting Tips

Helping Facilitators Handle Any Moment!

Encourage Glow & Grow peer support every round!

Thank you for making this day special!

Keep shining and sharing
your stories!
