

SCRATCH JR – MY FIRST ANIMATED JUNGLE STORY

WANT TO MAKE CARTOONS?

**TODAY WE'RE MAKING
CARTOONS!**

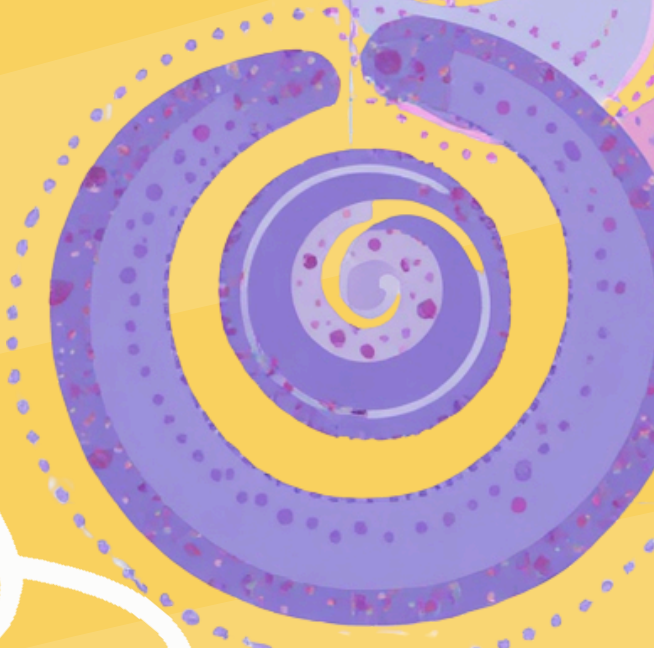

MEET THE STAGE!

this is the Stage – where your story comes alive!

Watch your characters move and dance here!

the Stage is your animation playground!

All the magic happens on this big screen!

MEET THE SPRITES!

Choose your characters from the library!

Pick Indian animals like Tiger or Elephant!

Like Kathputli puppets come to life!

Click the + button to add new friends!

Backgrounds

Forest

BACKGROUND BUTTON

SET THE SCENE!

CODING BASICS

Start on Green Flag

Move Right

Jump

MOTION BLOCKS

Move Right block moves your character right!

Change steps to 5 to make tiger walk.

Jump block makes tiger leap like in the jungle!

Blue blocks are your motion superpowers!

LET'S CODE!

Drag yellow Start block to the coding area.

Snap blue Move Right block (set to 5 steps).

Snap the blocks together!

Go, let's build our first code!

ACTIVITY STEPS 3 & 4

Add the jump block after Move Right

Click the Green Flag to run your code

Arre waah! Watch tiger move and jump!

You did it! Your first animation is running!

**WHY IS TIGER
JUMPING?**

ADD MOVE RIGHT + JUMP!

Royal Bengal Tiger

OUR JUNGLE FRIENDS

Clever Monkey

Indian Elephant

WHAT DID WE LEARN?

Green Flag
Starts Code!

Blue Blocks
Move Friends!

Code = Puppet
Instructions!

YOU ARE A CODER!

**YOU CODED YOUR FIRST
INDIAN JUNGLE STORY! READY
FOR THE NEXT ADVENTURE?**
