

The Shopkeeper Game!

Fun with Math and Indian Coins

Grade 1 Math Lesson

Welcome to the Shop!

Have you ever been to a shop?

Look at all the yummy things inside a shopping basket! You can find crunchy **Parle-G biscuits**, sweet **Dairy Milk chocolate**, and tangy **Kurkure chips**!

What is your favorite treat to buy when you visit a shop?

What is a Shop?

A shop is a very special place.

It is a place where things are sold for **money**!

Here are some examples of shops you see every day:

- **Kirana Store:** A small local grocery shop near your house.
- **School Canteen:** Where you buy delicious snacks at school.
- **Sabziwala:** A friendly vegetable seller on the street.

Meet the Shopkeeper!

Who is a Shopkeeper?

The shopkeeper is the person who **sells** things in a shop.

Meet our friendly shopkeeper today! He is a happy 6-year-old boy wearing his neat school uniform. He wears a proud paper badge that says "**Shopkeeper**".

He loves helping all his customers find exactly what they need!

Meet the Customer!

Who is a Customer?

The customer is the person who **buys** things from a shop.

Meet Meena! She is a cheerful 6-year-old customer wearing a pretty salwar-kameez. She is holding a small, bright purse filled with shiny coins.

She is ready to buy some yummy treats today!

How Shopping Works

The Shopkeeper Sells & The Customer Buys!

When you want something from a shop, the shopkeeper hands it to you, and you give them money for it.

A Cute Example:

Grandmother walks to the vegetable seller to get fresh tomatoes. The seller says, "*Ten rupees!*"

Grandmother happily hands over her money and takes her tomatoes home. Now she is super happy!

The Shiny ₹1 Coin

Let's learn about our smallest coin!

The ₹1 coin means **One Rupee**.

- It is our smallest coin today.
- It has a bright, shiny silver color.
- It has a picture of a proud lion on it!
- You can use it to buy very small treats, like a sweet little toffee!

The Useful ₹2 Coin

Let's look at the next coin!

The ₹2 coin means **Two Rupees**.

- This coin is medium-sized and silver colored.
- It is just a little bit bigger than the ₹1 coin!
- **Secret Trick:** Always look for the big number **2** written clearly on the coin!

The Bumpy ₹5 Coin

Let's feel this big coin!

The ₹5 coin means **Five Rupees**.

- This is a big, heavy silver coin.
- It has special lines called grooves on its side.
- Run your fingers along the edge—feel those bumpy sides? That is how you know it is a ₹5 coin!
- You can use this coin to buy delicious, crispy snacks!

The Colorful ₹10 Coin

This is our biggest value coin today!

The ₹10 coin means **Ten Rupees**.

- This special coin has **TWO beautiful colors!**
- It has a warm golden circle in the center.
- It has a shiny silver ring wrapped all around it!
- Can you look inside your piggy bank and spot a ₹10 coin?

Reading Price Tags

How much do things cost?

Every item has a price tag to tell us how much money to pay:

- A packet of **Parle-G biscuits** costs ₹5
- A yummy **Eclairs toffee** costs ₹2
- A small neat **eraser** costs ₹3

Fun Question: Which item is the most expensive? Can you tell?

Let's Play a Quiz Game!

Q1: What is a shop?

A: A place where things are sold for money!

Q2: Who sells things in a shop?

A: The friendly Shopkeeper!

Q3: Which coin has two colors (gold and silver)?

A: The amazing ₹10 coin!

You are now ready to play the Shopkeeper Game!
