AIR HAS WEIGHT

THE BALLOON EXPERIMENT

BEGIN

WHAT IS INSIDE A BALLOON?

LOOK AT THESE TWO BALLOONS! ONE IS FLAT AND ONE IS BIG AND ROUND. WHAT DO YOU THINK IS INSIDE THE BLOWN-UP BALLOON? LET'S FIND OUT TOGETHER!

DOES AIR WEIGH ANYTHING?

WHAT DO YOU THINK?

RAISE YOUR HAND IF YOU THINK AIR IS HEAVY! LET'S FIND OUT TOGETHER. THINK ABOUT IT - CAN YOU FEEL AIR? DOES IT WEIGH ANYTHING AT ALL?

BALLOONS

STICK

STRING

MATERIALS NEEDED FOR THE EXPERIMENT

LET'S GATHER EVERYTHING WE NEED TO DISCOVER IF AIR HAS WEIGHT! ASK YOUR TEACHER OR PARENTS TO HELP YOU FIND THESE SIMPLE ITEMS.

STEP 1

TIE THE BALLOONS

TAKE YOUR STICK (DANDA) AND TIE ONE BALLOON (GUBBAARA) TO EACH END USING STRING (DHAGA). MAKE SURE THE KNOTS ARE TIGHT SO THE BALLOONS DON'T FALL OFF!

TIE ONE BALLOON TO EACH END

USE STRING TO MAKE STRONG KNOTS ON BOTH SIDES

STEP 2

BLOW UP ONE BALLOON!

NOW COMES THE FUN PART! TAKE ONE BALLOON AND BLOW AIR INTO IT. WATCH IT GROW BIGGER AND BIGGER! KEEP THE OTHER BALLOON FLAT - DON'T BLOW INTO IT AT ALL.

BLOW AIR INTO ONE BALLOON (GUBBAARA)

KEEP THE OTHER BALLOON FLAT AND EMPTY

STEP 3

BALANCE THE STICK!

PLACE THE STICK ON YOUR FINGER AND TRY TO BALANCE IT.
WATCH CAREFULLY! WHICH SIDE WILL GO DOWN? GET READY FOR
THE EXCITING RESULT!

BALANCE ON YOUR FINGERTIP

WATCH WHICH SIDE TIPS DOWN - THE SURPRISE IS
COMING!

OBSERVATION - WHICH SIDE GOES DOWN?

LOOK CAREFULLY! THE STICK TIPS DOWN ON THE SIDE WITH THE BLOWN-UP BALLOON. THE FLAT BALLOON STAYS UP HIGH. THIS SHOWS US THAT THE BALLOON WITH AIR INSIDE IS HEAVIER!

THE FULL BALLOON SIDE!

WOW! AIR HAS WEIGHT!
THE FULL BALLOON IS HEAVIER!

INDIAN LIFE CONNECTION

FOOTBALL (GEND)

A FLAT FOOTBALL (GEND) IS SOFT, BUT PUMPED WITH AIR, IT IS HEAVY AND READY TO PLAY! WATCH CHACHA PUMP THE FOOTBALL AT THE SHOP. HAWA (AIR) MAKES THE GEND STRONG!

CYCLE AND AUTO TYRES NEED AIR!

FLAT TYRES ARE HARD TO RIDE!

CYCLE AND AUTO-RICKSHAW TYRES NEED AIR TO WORK PROPERLY. WHEN TYRES ARE FLAT, THEY ARE SOFT AND HARD TO RIDE. WHEN FILLED WITH AIR, THEY BECOME ROUND AND READY TO GO! AIR MAKES THEM STRONG.

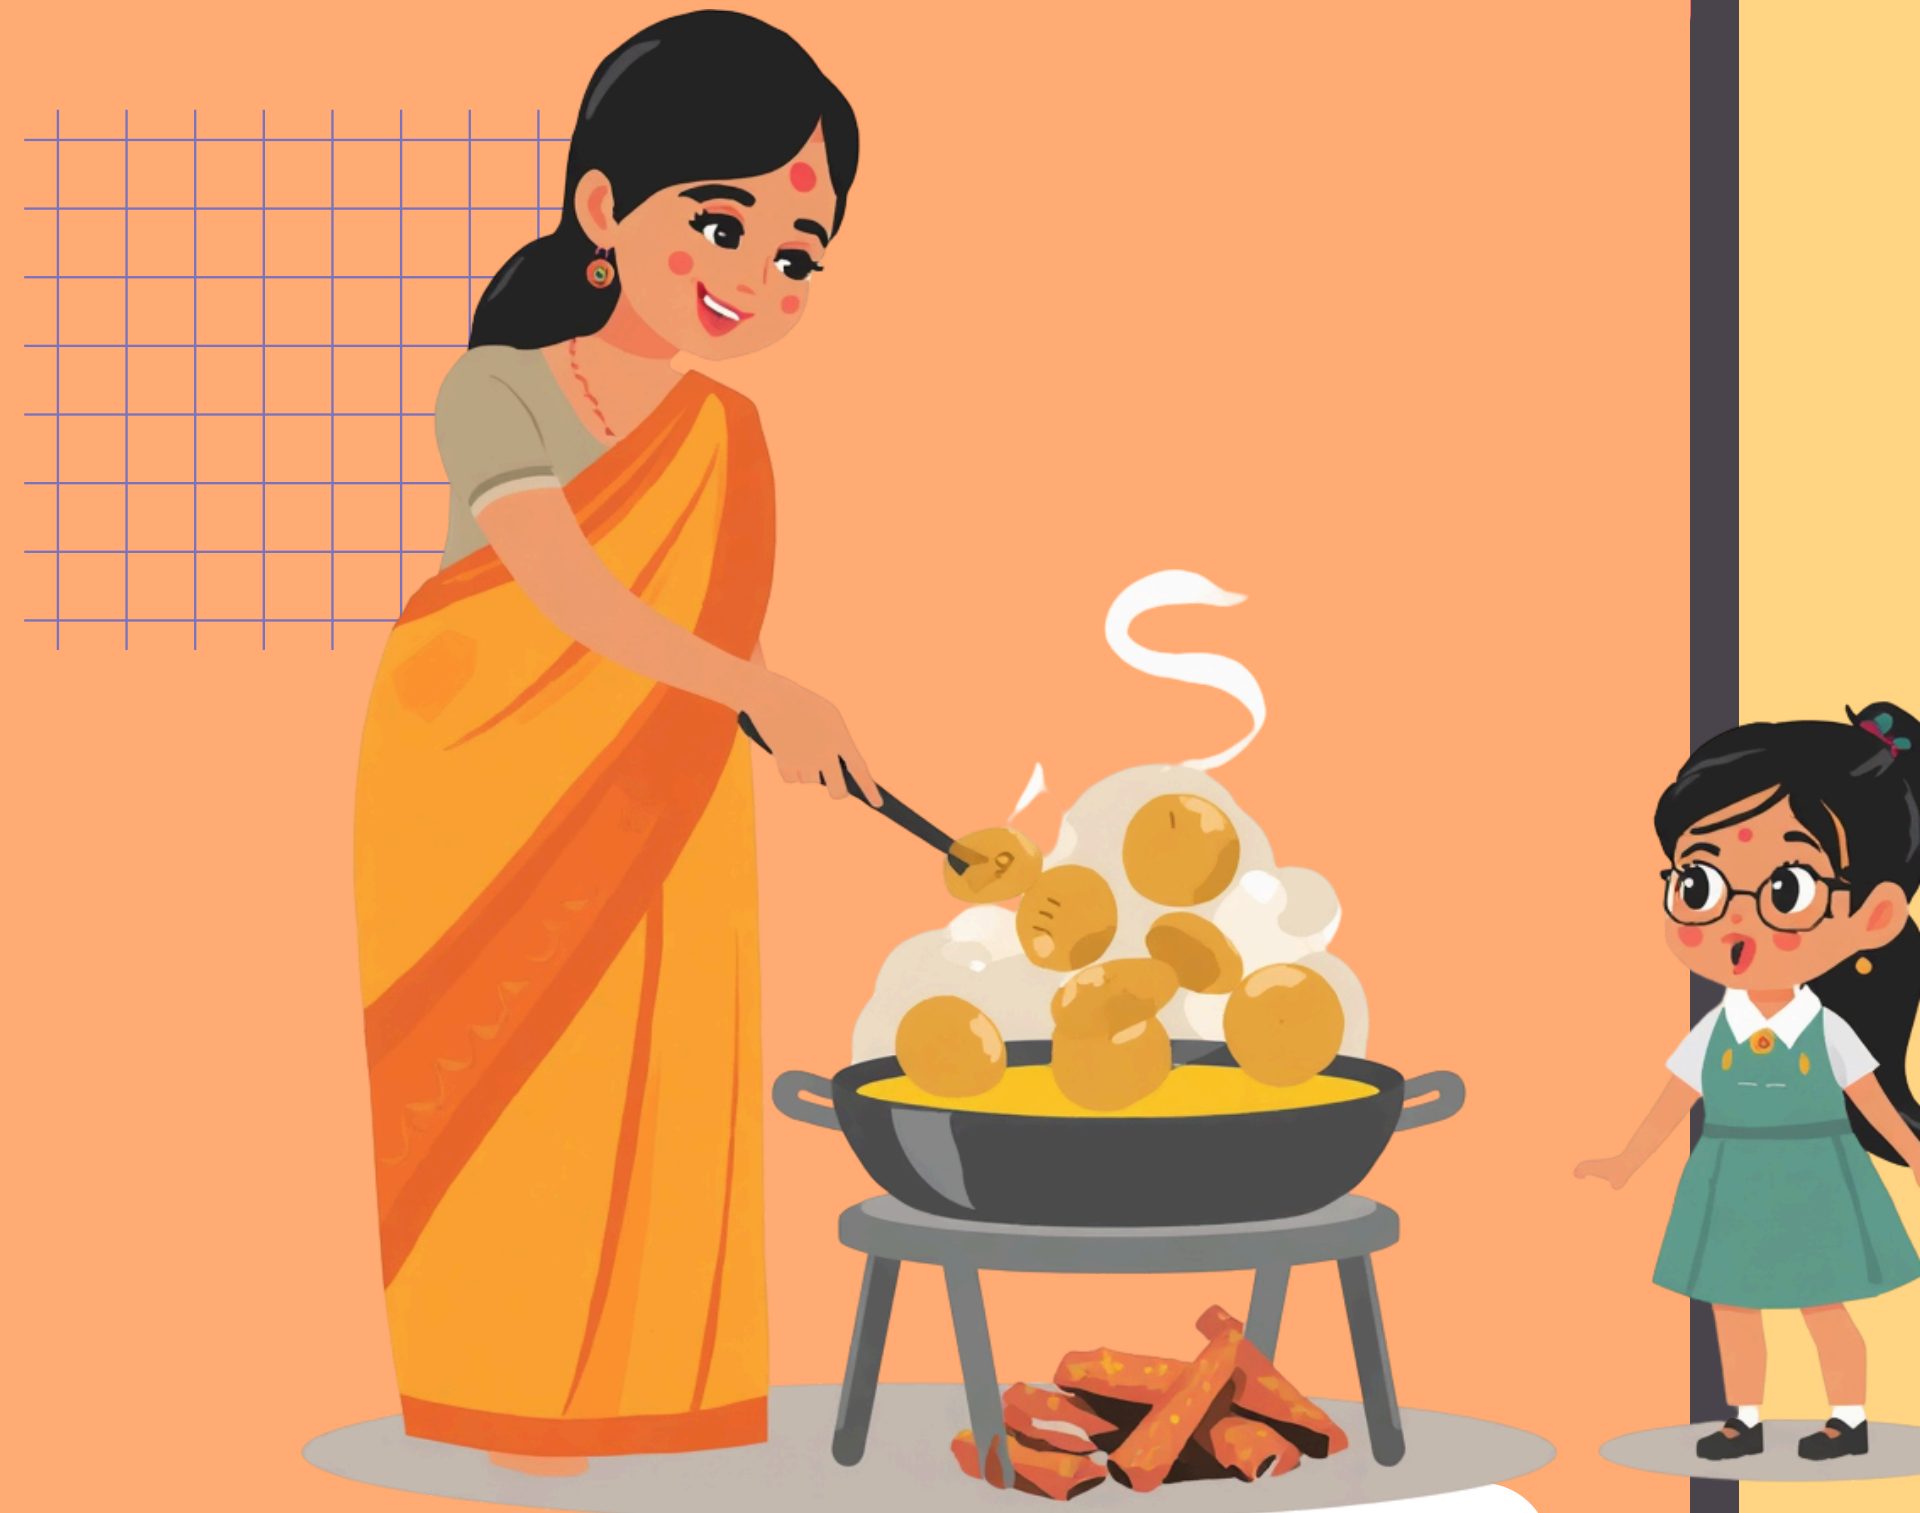

INDIAN LIFE CONNECTION 3

PURI PUFFING IN THE KITCHEN!

PURI PUFFS UP BECAUSE OF AIR INSIDE WHEN FRYING IN HOT OIL. WATCH AMMA MAKE PURIS - THEY FILL WITH AIR AND BECOME ROUND AND FLUFFY! THE AIR INSIDE MAKES THEM LIGHT AND DELICIOUS. HAWA (AIR) MAKES PURI SPECIAL!

WEIGHT (BHAARI)

AIR HAS WEIGHT. BHAARI MEANS HEAVY!
