

MATHS OLYMPICS

WELCOME TO OUR MATHS OLYMPIcs!

Hello students, teachers, and parents! We
are so happy you are here. Get ready for
a fun celebration of learning, numbers,
and teamwork!

WHAT IS THE MATHS OLYMPIcs?

A fun way to learn and explore maths through exciting games and challenges! We count, solve puzzles, and play together every day!

HIGHLIGHTS OF OUR YEAR!

What an amazing year it has been! Over 100 students participated throughout the year in our Maths Olympics. From counting races to number puzzles, every moment was filled with fun, learning, and lots of smiles. You all did a fantastic job!

FUN MATHS ACTIVITIES WE LOVED!

This year we explored maths through exciting hands-on activities! From counting races to shape hunts and number puzzles, every student had a blast learning and playing together!

**Counting
Races**

**Shape Hunts &
Number
Puzzles**

**Group Problem
Solving**

OUR AMAZING PARTICIPANTS!

Every student was a star in our Maths Olympics! Together we learned, played, and grew. Teamwork made every challenge more fun!

TOP ACHIEVERS & AWARDS!

Every student shone bright in our Maths Olympics! Here are our star achievers who showed amazing effort, skill, and teamwork all year long!

 **Maths Whiz**
Fastest with numbers!

 **Puzzle Master**
Solved every challenge!

 **Super Counter**
Counted like a pro!

LEARNING MILESTONES REACHED!

Look how much we have grown this year!
Every student worked hard and reached
amazing new skills in Maths Olympics 2024.

Before: Counting & Number Recognition

After: Addition & Subtraction!

Now: Simple Problem Solving!

FAVOURITE MATHS GAMES!

These are the maths games we loved playing this year. Each game made learning numbers super fun and exciting!

**Domino
Addition**

**Hopscotch
Numbers**

**Shape
Matching &
Number Bingo**

THANK YOU!

Thank you for encouraging curiosity and practice!

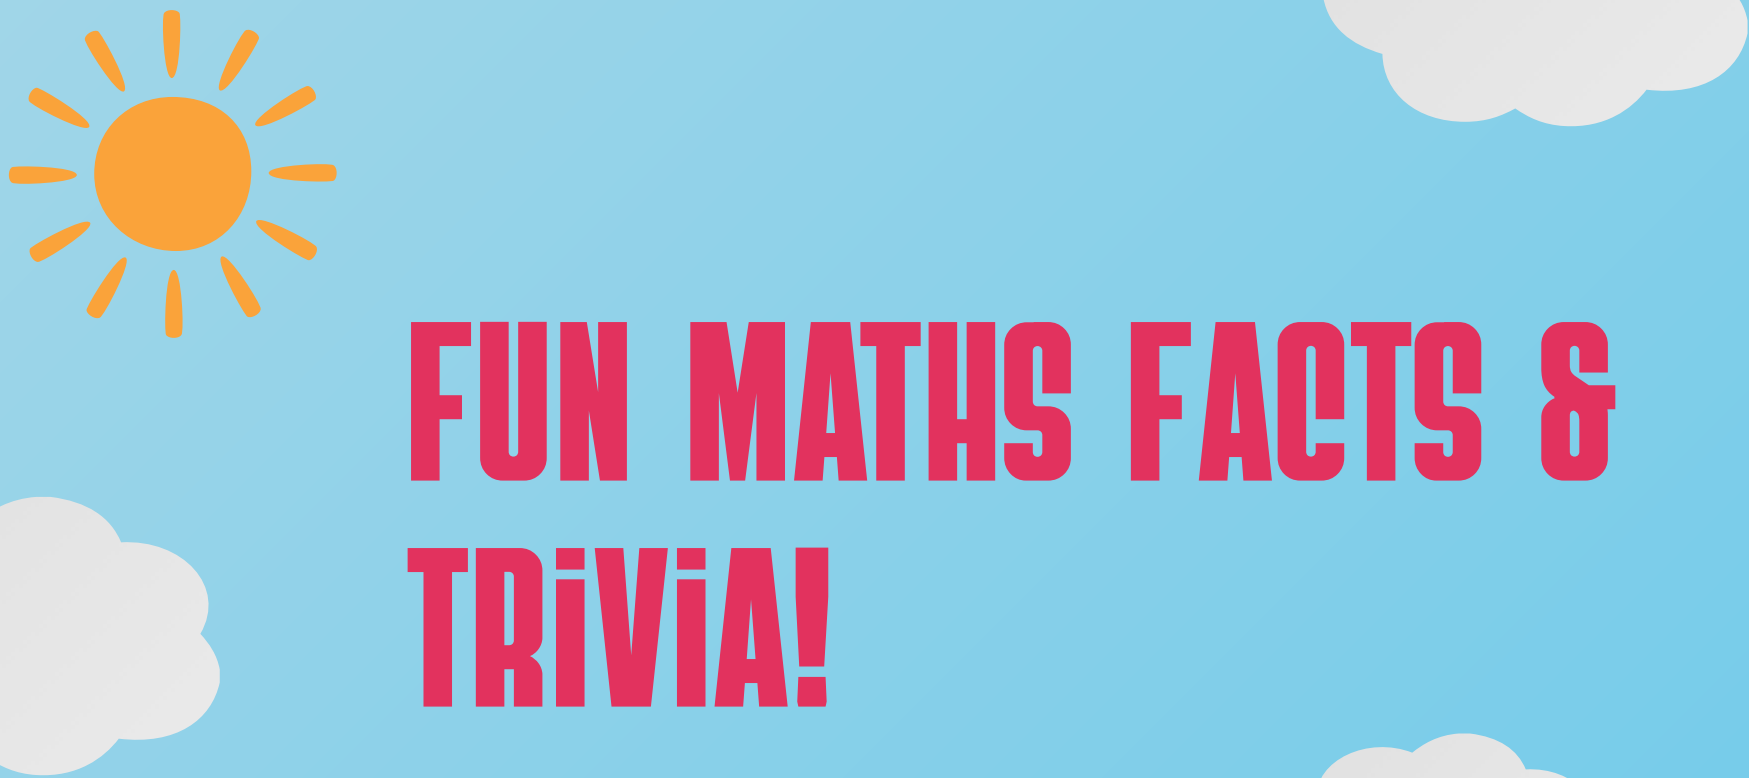

Our parents and teachers made the Maths Olympics possible. Your love, support, and cheers helped every child shine bright. We could not have done it without you!

CHALLENGES WE OVERCAME!

"Maths is fun when we try together!"
Every challenge made us stronger. We
worked as a team, helped each other, and
never gave up!

A bright orange sun with rays is in the top left corner. Several white, fluffy clouds are scattered across the light blue sky. A small green triangle is also visible in the sky.

FUN MATHS FACTS & TRIVIA!

Did you know maths is full of amazing secrets? Here are some super fun facts about numbers and shapes just for you!

A white five-pointed star is centered inside a red circle, which is placed on top of a yellow rectangular box.

Zero means nothing at all!

A white five-pointed star is centered inside a red circle, which is placed on top of a yellow rectangular box.

Triangles have exactly 3 sides!

A white five-pointed star is centered inside a red circle, which is placed on top of a yellow rectangular box.

Maths is everywhere around us!

WHAT'S NEXT FOR MATHS OLYMPICS?

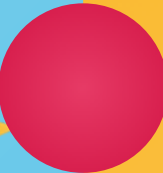

Get ready for an even more exciting year ahead! We have big plans to make Maths Olympics 2025 the best one yet. Stay tuned for more fun and learning!

More games and activities

New challenges and puzzles

Family Math Nights

THANK YOU FOR A WONDERFUL YEAR!

Thank you for being part of our Maths journey! You showed us that learning is more fun when we do it together. Keep exploring, keep counting, and keep shining bright! See you at the next Maths Olympics!

QUESTIONS & CELEBRATION TIME!

"LET'S CELEBRATE OUR
MATHS CHAMPIONS!"
