

MATHS ART - MANDALA SPIROGRAPH

HOOK & WONDER MOMENT

Have you seen this at home?
Look at these beautiful circular designs!
They're called Rangoli and Mandala!

TODAY'S ADVENTURE

Circles

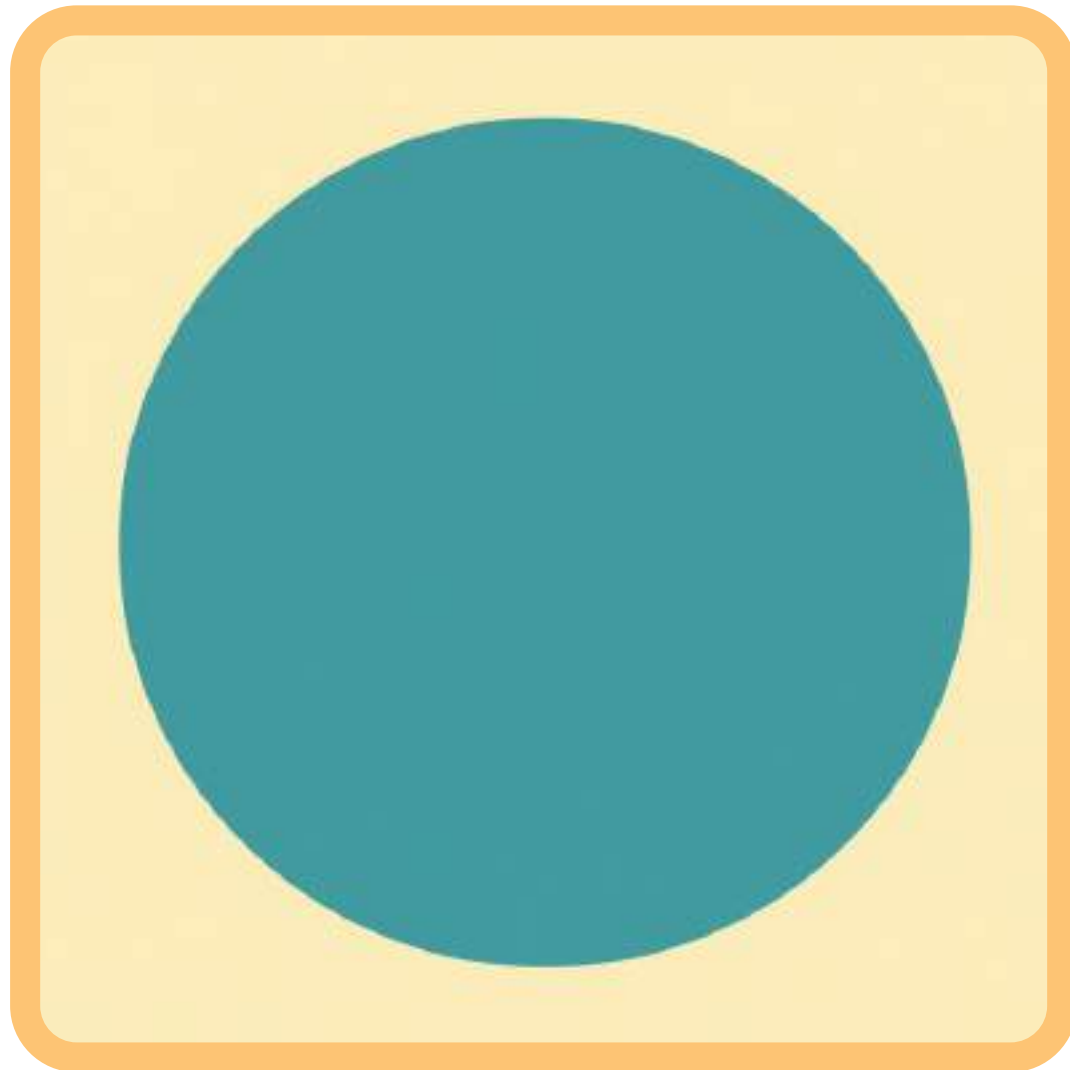

Patterns

Mandalas

WHAT IS A CIRCLE?

A circle is a round shape with no corners!
Look around you – circles are everywhere!
They're smooth, they're round, and they go all
the way around!

CIRCLES AROUND US

THE CENTRE/MIDDLE

The centre is the exact middle point.
Everything starts from the centre!

WHAT IS A PATTERN?

A pattern is when shapes or colours repeat!

Look at these shapes – they go again and again!

Try this: "Clap clap stamp, clap clap stamp!"

WHAT IS A MANDALA?

Mandala means 'circle' in Sanskrit!
It's a beautiful circular design that starts
from the centre and grows outward.
Just like Rangoli and Kolam art!

USE GESTURES!

SAY IT LOUD!

LET'S CREATE!

Plain Paper

A clean white sheet to draw your beautiful mandala!

Pencil

To draw your centre dot and trace circles!

Coin/Bowl/Bangle

Round objects to trace perfect circles of different sizes!

Sketch Pens or Crayons

Pick 4 or more colours to make beautiful patterns!

STEP 1: THE CENTRE DOT

Put a dot in the middle of your paper.
This is where your beautiful mandala
begins!

The centre is the most important point!

STEP 2: TRACE FIRST CIRCLE

Place your coin on the dot and trace around it.
Hold the coin steady with one finger and draw
around it slowly!

STEP 3: TRACE BIGGER CIRCLE

Use a bigger lid – trace another circle!
Like ripples in a pond!
Watch your mandala grow bigger and
bigger!

STEP 4: ADD PETALS

Draw petals like a sunflower !
Make them repeat all around the circle!
Each petal should touch the next one.

STEP 5: ADD DOTS OR LINES

Add small dots between each petal!
Look at the spaces between your petals.
Put a tiny dot in each space.
Dots make your mandala sparkle like a
Diwali rangoli!

STEP 6: COLOUR WITH A PATTERN!

Make a colour pattern!
Yellow, orange, yellow, orange...
Repeat your colours all around the
mandala!

YOUR TURN - CREATE TIME!

8 minutes to create your own Mandala!
You are a Maths Artist!
Take your time and have fun creating beautiful
patterns from the centre outward.
