

My Money Roadmap

02

What is Money and Why Does It Matter?

Money is a special tool we use to buy things we need and want. It helps us get food, clothes, toys, and save for the future. Money is important because it helps our families take care of us every day!

next

04

Where Does Money Come From?

Money can come from many places! You might get allowance from your parents, receive gifts during Diwali or birthdays, or earn by doing small chores like helping with dishes or tidying your room.

next

The Three Money Jars

SAVE
Keep money for the future

For a new bicycle or school trip

For snacks, books, or small toys

SPEND
Use money for things now

Build your savings jar to reach bigger goals!

For charity, temple donations, or gifts

SHARE
Give money to help others

Helping others makes everyone happy!

06

Setting Money Goals

Short-term goals are things you can save for quickly, like buying ice cream next week or a small toy. Long-term goals take more time, like saving for a bicycle or a fun school trip. Write down your goals and check them off as you achieve them!

next

07

Making a Budget: Planning Your Money

A budget is a plan for how to use your money! If you get Rs. 100 allowance, you can split it into your three jars: Rs. 50 to Save, Rs. 30 to Spend, and Rs. 20 to Share.

next

Smart Spending Tips

Compare Prices Before Buying

Ask Yourself Questions

Make a Shopping List

Buy What You Need First

Avoid Impulse Buying Sweets or Toys

Wait Before Buying Wants

Think Before You Buy

Save Money for Bigger Goals

09

Saving Money: Why and How to Save

Why save money? To buy bigger things like a bicycle or for emergencies! Keep your money safe in a piggy bank or jar at home. Watch your savings grow little by little every week!

next

10

Earning Money: How Can Kids Earn?

Even Grade 4 students can earn money! Try doing small chores at home like folding clothes or watering plants. Help neighbours with simple tasks. With family permission, sell handmade crafts or snacks!

next

11

Sharing and Giving: Helping Others

Why share? To help family, friends, and community! Examples: Donate to a temple, buy gifts for siblings, help charity, or share snacks with friends.

next

Tracking Your Money: Keep a Record

Keep a notebook or chart to write down what you spend and save. This helps you know exactly where your money goes and makes you a smarter money manager!

[next](#)

Money Mistakes to Avoid

Spending All Money at Once

Not Tracking Spending

Impulse Buying Sweets

Forgetting to Save

Losing Money by Being Careless

Not Comparing Prices

Buying Without Asking Parents

Not Planning Before Spending

Banking Basics: What Is a Bank?

A bank is a safe place to keep your money! Banks help you save by keeping your rupees secure. Kids can have savings accounts too — you deposit money, and the bank keeps it safe until you need it.
