CHOOSE YOUR PROJECT

Select one of the following projects and prepare a presentation:

- Smart Watering Alert
- Swachh Bharat Waste Collector
- Digital Budgeting Game
- Community Garden Planner

DEMO DAY PRESENTATION

Each student presents their amazing project for 2-3 minutes, followed by a 1-minute Q&A.

Celebrate every project with virtual badges and emojis 🎉

SMART WATERING ALERT

A smart alert to remind grandma to water tulsi and money plants at the right time every day!

🌿 Project by: Grade 3 Student

🕒 Presents for 2-3 minutes + Q&A

Helps busy families care for their plants easily — no more forgotten watering days!

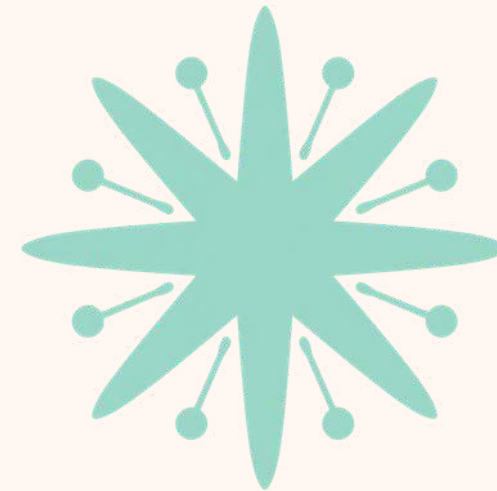

SWACHH BHARAT WASTE COLLECTOR

A community waste collector inspired by the Swachh Bharat mission — designed by our young innovator to keep our neighbourhood clean and green!

- 🗑️ Sorts waste into dry and wet bins
- 🌿 Encourages eco-friendly habits
- 🏠 Built for our society park

Real-world impact: Cleaner streets, greener community, prouder neighbours!

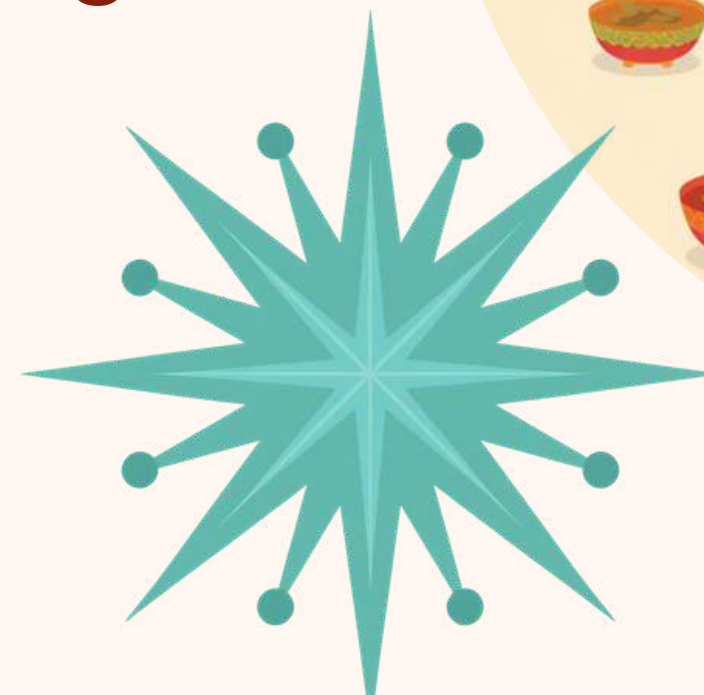

DIGITAL BUDGETING GAME 🎮

A fun game teaching how to save money for Diwali gifts!

🏛️ Real-World Connection: Learning to manage pocket money smartly — deciding what to buy, what to save, and how to plan for celebrations.

🎯 Project by: Grade 3 Student, Planrs Academy

"Save smart, celebrate big — every rupee counts! 🪔"

COMMUNITY GARDEN PLANNER

"Planning a garden in our apartment to grow vegetables!"
This brilliant project by our Grade 3 innovator imagines a community garden right in our apartment complex — growing tomatoes, spinach, and herbs for everyone to enjoy. 🥦🍅

🏆 Spotlight Project 4

Real-world impact: Bringing fresh food, green spaces, and community fun to every neighbour! 🌻
