

Build Your Digital Portfolio

A Google Workspace

Today's 5 Easy Steps

Make a folder
in Google Drive

Write an
About Me page

Add your
best work

Build the
portfolio

Share
safely

Step 1

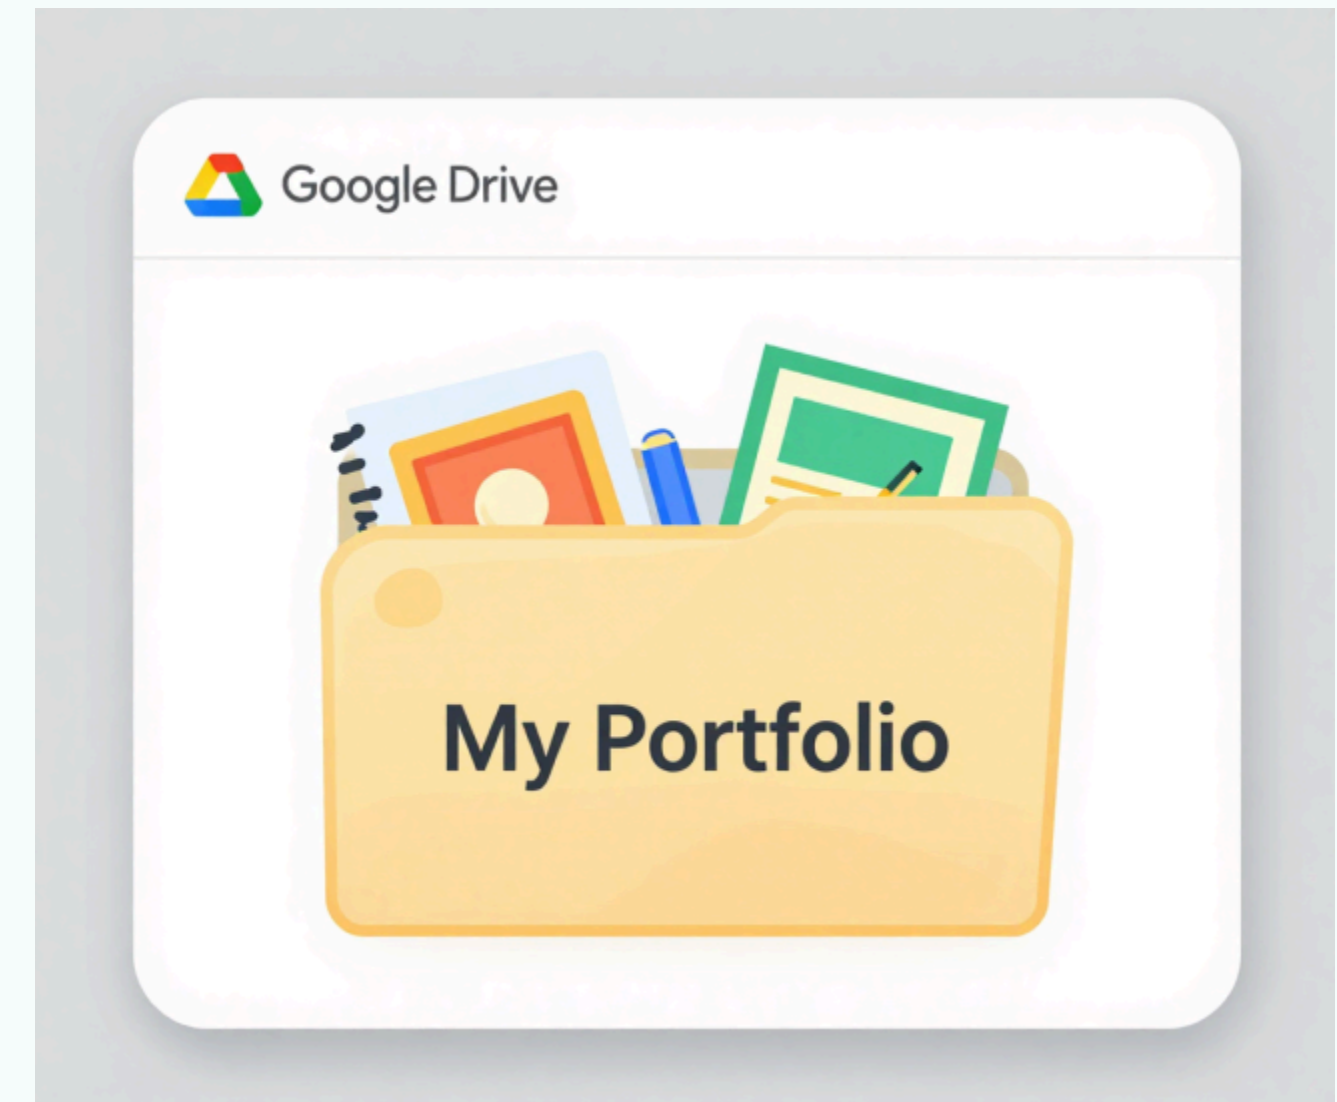

Make a Folder in Google Drive

Open Google Drive.

Click New, then Folder.

Name it "My Portfolio".

Put your school work inside it!

Step 2

Create an About Me Page

Open Google Docs.

Write about you.

Keep it safe!

Safe details to share:

- Your first name
- Your class
- Your hobbies
- Your favourite subject
- A small drawing of you

Step 3

Add Your Best Work

Put your best work inside the folder.

Examples:

- A drawing you love
- Your best class work
- A reading certificate
- A sports certificate

Build the Portfolio

Use Slides or Sites.

Arrange your pages neatly.

Page ideas:

- Home
- About Me
- My Work
- Certificates

Share Safely

Share with trusted people only.

Who can you share with?

- Your teacher
- Your parents

Never share with strangers!

Quick Quiz Time!
