

The Great Indian Pattern Safari

Grade 1 Pattern Fun!

Help Fix the Diwali Lights!

Kabir and Rhea are excitingly decorating their balcony veranda for Diwali. But oh no! Look closely at the corner—two fairy lights are broken and blank!

Let's read the colors aloud together:

Red

Blue

Can you find the next two magical colors to fix their lights and save Diwali night?

What is a Pattern?

A **pattern** is simply something that repeats itself perfectly over and over again!

Mother's Glass Bangles

Look at the beautiful glass bangles on your mother's wrist. See how they have a special repeating rule?

🌟 Gold 🌿 Green 🌟 Gold 🌿 Green 🌟 Gold 🌿 Green

The smallest repeating part that builds the whole sequence is: **Gold + Green!**

The Flower Garland

Look at this festive marigold garland hanging on the door. What is the pattern rule here?

🧡 Orange Flower 🟡 Yellow Flower 🧡 Orange Flower 🟡 Yellow Flower

The repeating part is: **Orange + Yellow**. It just keeps going!

Fun Pattern Families

Three Items!

Busy City Traffic

Look out onto a busy, noisy street in Delhi or Mumbai! The vehicles lined up follow a pattern with three different things:

 Auto-Rickshaw  Cycle-Rickshaw  Car   Auto  Cycle  Car

You can spot the repeating rhythm easily! You are an absolute Pattern Pro!

Double Treats!

The Party Snack Platter

Look at this delicious snack plate! This one has a sneaky double repeat rule:

 1 Samosa  2 Jalebis   1 Samosa  2 Jalebis

Shabash! You noticed the double sweet treat!

Pattern Games & Challenges

Game 1: The Animal Train

Look at this long safari train carefully. Which friendly animal comes next?

Game 2: The Sari Border

Let's help fix the beautiful woven design on a Kanjeevaram silk sari border.
One shape is missing!

     

Can you find the missing shape to complete the beautiful border?

Independent Mini-Quiz

Question 1: Is this a real pattern? Circle **YES** or **NO**:

 Laddu  Barfi  Mango  Kite

Question 2: Find the missing middle item:

 Diya  Diya  Rangoli  Bell  Diya  [?]  Rangoli  Bell

Question 3: If you count up to the **10th item** in this pattern, what will it be?

 Laddu  Barfi  Laddu  Barfi...

Your Home Pattern Detective Mission!

Your safari journey is not finished yet, super spotter! When you look around your house today, hunt for hidden patterns.

Look at your **bedsheets**, the **floor tiles**, or your grandmother's woven **clothes and shawls**. Draw the repeating pattern you find inside your notebook and bring it to share in our next session!

THANK YOU AND SEE YOU SOON! SHABASH!
