

PROBABILITY – WHAT ARE THE CHANCES?

MEET RIYA AND HER TIFFIN BOX

Riya loves surprises in her tiffin box! Every day, she wonders what yummy treat is waiting inside. What might be inside today?

CERTAIN – ALWAYS HAPPENS

CERTAIN means it will always happen!

The sun will rise tomorrow morning

If I drop my roti, it will fall down
After Monday comes Tuesday
CERTAIN! CERTAIN! CERTAIN!

IMPOSSIBLE

IMPOSSIBLE means it can never happen!

A cow cannot fly in the sky

Ice cream cannot be hot

A dosa cannot fly like a kite

These things will NEVER happen!

POSSIBLE – MIGHT HAPPEN

POSSIBLE means it might happen,
but maybe not!

It might rain during school
lunch

My aaji might make khichdi
today

I might get a mango in my tiffin

LET'S SORT THESE EVENTS!

Sun will rise

Ice cream is hot

It might rain

Buffalo singing

Getting laddoo

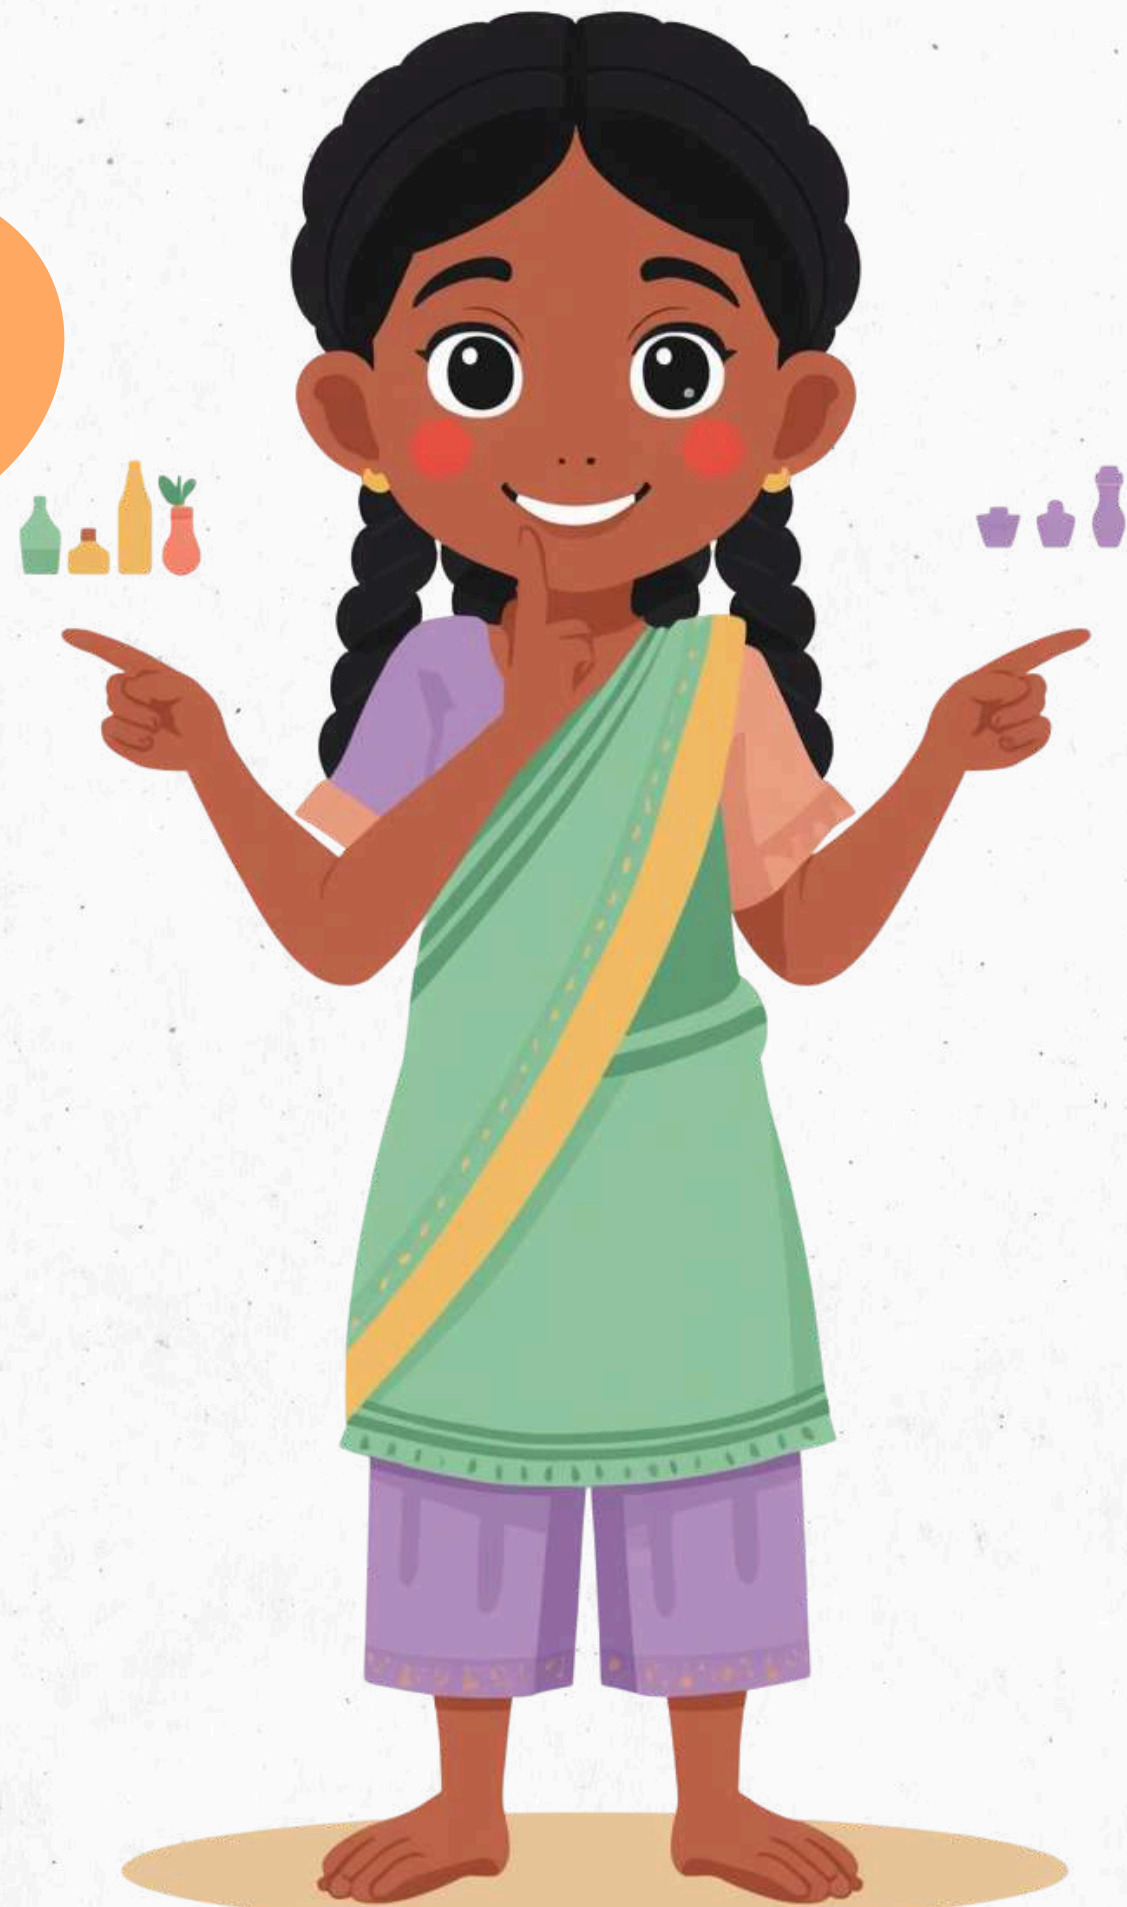

CERTAIN

POSSIBLE

IMPOSSIBLE

After Monday comes
Tuesday

Put each card in the
right column!

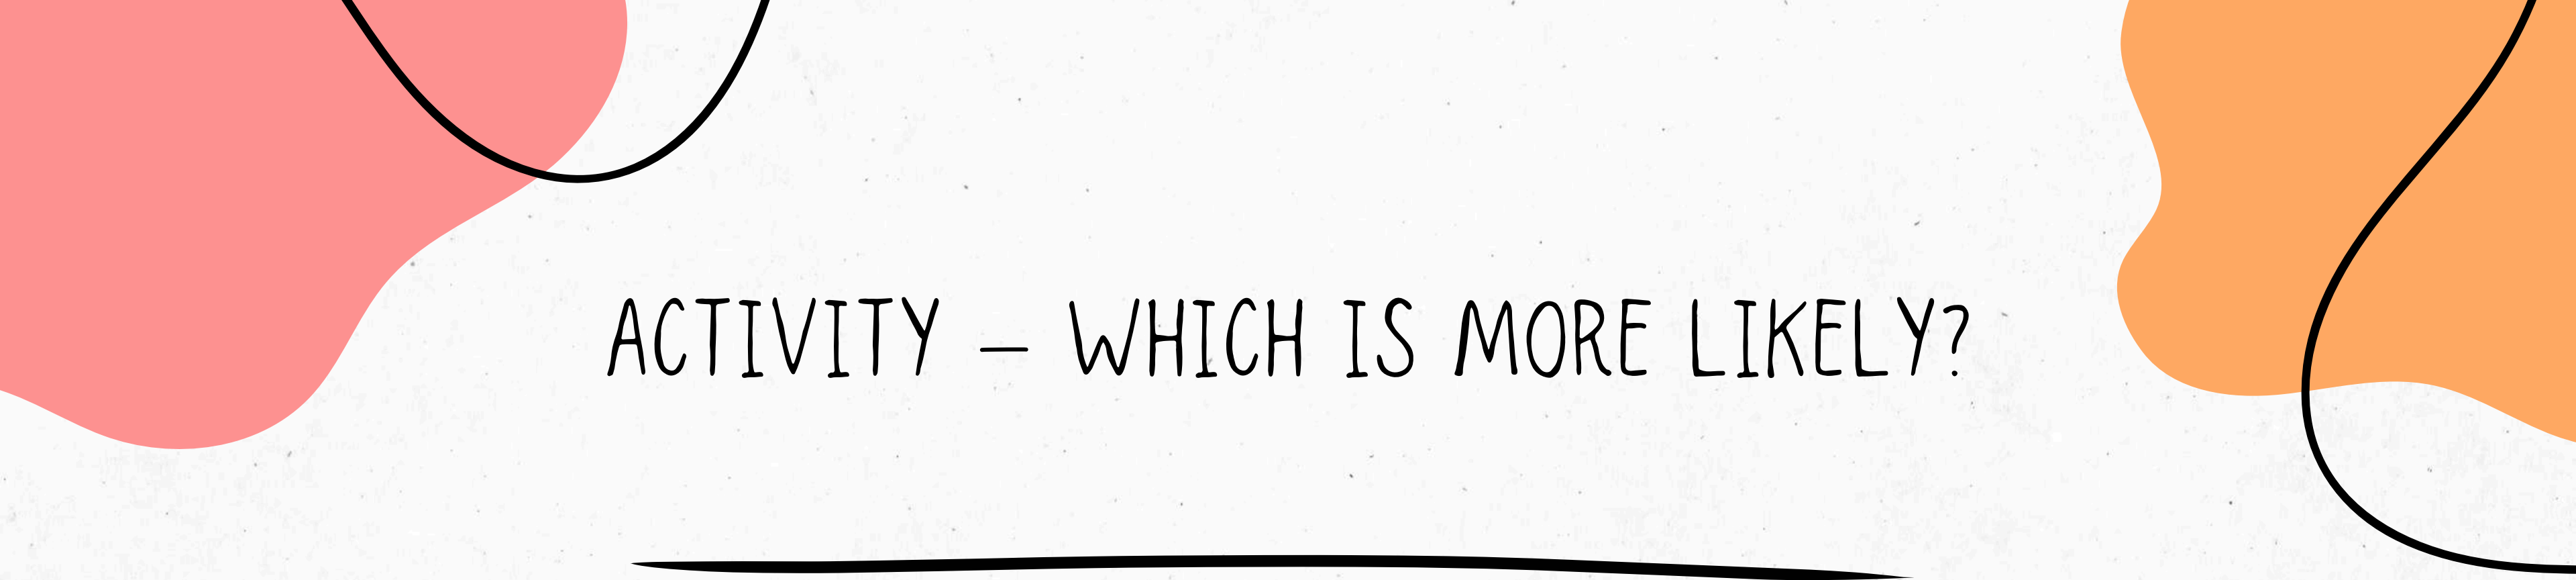

MORE LIKELY – WHAT HAPPENS MORE OFTEN?

December is more likely
cold than hot

Picking a banana
from 4 bananas and
1 apple

Picking a red marble
from 3 red and 1
blue

Picking laddoo from
5 laddoos and 1 barfi

ACTIVITY – WHICH IS MORE LIKELY?

Look at Riya's tiffin box! It has 4 mangoes and 1 guava inside. If she picks one fruit without looking, which is more likely to come out? Vote with thumbs up for mango or thumbs down for guava!

MY OWN EXAMPLES

1

CERTAIN
Draw something
that always
happens!

2

POSSIBLE
Draw something
that might
happen!

3

IMPOSSIBLE
Draw something that
can never happen!
