My Business Plan Pitch Day

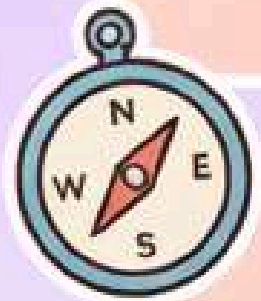

What is a Business Plan?

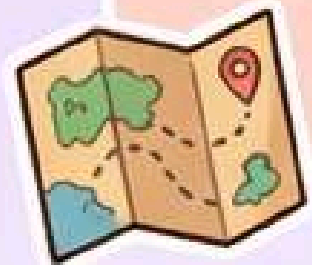

Your Map to Success!

A business plan is like a map that shows your idea and how it can work!

Think of it like drawing directions to a treasure!

Why Do We Need a Business Plan?

Planning Makes Everything Better!

1. Helps us know what to do step by step

2. Shows how to make money from our idea

3. Gets others excited about your idea!

The Problem - What's the Need?

Every Business Solves a Problem

Example 01

Finding problems helps us create solutions

Example 02

Good ideas come from real needs

Every business starts by finding a problem that needs solving. Your business idea should help people with something they need!

The Solution – Your Idea

Your Product or Service is the Answer!

Solution 1:

Make something people want and need

Solution 2:

Help others with your special idea

Example: Yummy homemade cookies delivered at lunch! Fresh, tasty, and made with love – solving the problem of boring snacks at school.

The Product — What Will You Sell?

Describe It In Your Own Words!

 **Product Ideas** 
Lemonade, Crafts,
Cookies

 **Your Creation:**
Something you love
to make!

Money Matters — How Will You Make Money?

Learn About Cost, Price & Profit!

COST

Ingredients cost
2 rupees

PRICE

Sell for 5 rupees

PROFIT

You earn 3 rupees!

Marketing – How Will People Know?

Spread the Word!

How will you tell people about your product?
Marketing helps everyone know about your amazing business idea!

Posters

Make colorful posters to hang up

Word of Mouth –

Talk to friends and family

Social Media –

Share with help from adults

Building Your Own Plan

Now It's Your Turn!

1. What problem will you solve?

2. What's your solution?

3. What will you sell?

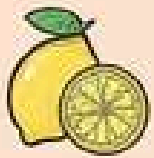

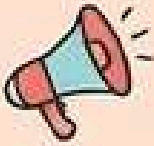

4. How will you make money?

5. How will people know?

Example Business Plan

Priya's Lemonade Stand

-  **Problem:** Kids get thirsty after playing!
-  **Solution:** Fresh cold nimbu pani!
-  **Product:** Homemade lemonade - 5 rupees each
-  **Money:** Cost 2, Sell 5, Profit 3 rupees!
-  **Marketing:** Colorful poster & tell friends

Be Brave

Tell your story with confidence

Have Fun

Get others excited about your idea

What is Pitch Day?

Share Your Big Idea!

On pitch day, you explain your idea to your classmates, teachers, or family. They listen carefully and might even want to help you make it happen!

Pitch day is when you share your business idea with others! You get to stand up and tell everyone about your amazing plan. It's like being a star presenter!

Tips for a Great Pitch

How to Share Your Business Idea

Speak Up

Speak clearly so everyone can hear you

Smile

Smile and look at your audience

Show It

Show your product or a picture of it

Practice

Practice before pitch day!

Remember: A great pitch tells your story! Share why you love your idea, show what makes it special, and let your excitement shine through. Practice makes perfect!

Practice Your Pitch

Try your pitch with a friend or family member!

Start with:

"Hi! I have a great idea to share with you!"

End with:

"Would you like to try my product?"

Practice makes perfect! Stand tall, speak clearly, and remember to smile. Ask your practice partner what they liked and what you can do better.
