Grade 3 · Financial Literacy · Lesson Guide

■ Lesson Overview

Subject	Financial Literacy
Grade	Grade 3
Topic	My Business Plan — Pitch Day
Duration	45–60 minutes
Format	Presentation / Show-and-Tell

■ What is Pitch Day?

Pitch Day is when students share their business ideas with an audience — classmates, teachers, or family members. Students stand up and present their amazing plan, just like a real entrepreneur! It is a chance to be creative, build confidence, and practice communication skills.

Stand Up & Speak

Share your idea clearly with the whole group.

Real Audience

Classmates, teachers, or family listen and respond.

Be a Star

Feel the excitement of presenting like a real entrepreneur!

■ Learning Objectives

- Understand what a business pitch is and why it matters.
- Practise speaking confidently in front of an audience.
- Communicate a business idea clearly using a structured plan.
- Develop financial literacy skills: products, customers, and value.
- Give and receive constructive feedback from peers.

■ Tips for a Great Pitch

Speak Up

Speak clearly so everyone can hear you.

Smile

Smile and look at your audience.

Show It

Show your product or a picture of it.

Practise

Rehearse before pitch day!

Be Brave

Tell your story with confidence.

Have Fun

Get others excited about your idea!

■ My Pitch Script Template

Use the prompts below to build your own pitch. Fill in the blanks and practise out loud!

Opening	"Hi! My name is _____ and I have a great idea to share with you!"
The Problem	"I noticed that people sometimes have trouble with _____."
My Solution	"My business idea is _____ and it helps by _____."
Why It's Special	"What makes it special is _____."
The Ask	"Would you like to try my product? Thank you for listening!"

■ What Happens After Pitch Day?

Pitch Day is just the beginning of the entrepreneurial journey. Here are the next steps:

- 01 Listen to Feedback**
Hear what friends and teachers liked and what could be improved.
- 02 Improve Your Plan**
Use the feedback to make your business plan even stronger.
- 03 Start Your Business**
Take your first real steps — maybe start selling or creating!

■ Teacher Notes

- **Preparation:** Ask students to complete their Business Plan worksheet before Pitch Day.
- **Setup:** Arrange chairs in a circle or theatre style to create a welcoming presentation space.
- **Timing:** Allow 2–3 minutes per student pitch plus 1 minute for audience questions.
- **Assessment:** Use a simple rubric: clarity, confidence, creativity, and completeness of idea.
- **Encouragement:** Celebrate every pitch! Remind students that all entrepreneurs start somewhere.

■ Believe in Yourself and Have Fun! ■ You have a great idea — let your excitement shine through!
